## NO INTRO

That Arizona sky .. burning in your eyes  
You look at me and, babe, I wanna catch on fire  
It's buried in my soul .. like California gold  
You found the light in me that I couldn't find

CHORUS: So when I'm all choked up and I can't find the words  
Every time we say goodbye baby, it hurts  
When the sun goes down .. and the band won't play  
I'll always remember us this way

Lovers in the night .. poets trying to write  
We don't know how to rhyme but damn we try  
But all I really know .. you're where I wanna go  
The part of me that's you will never die

CHORUS: So when I'm all choked up and I can't find the words  
Every time we say goodbye baby, it hurts  
When the sun goes down .. and the band won't play  
I'll always remember us this way - Oh, yeah
