Just when I thought I got him to fall in love with Tennessee
I shoulda known better than to take him back to Abilene
I put him right back into her arms .. I wasn't a match for that kinda spark

CHORUS: She's from Texas I can tell by the way .. he's two-steppin' 'round the room
And judgin' by the smile that's written on his face .. there's nothin' I can do
It doesn't take a crystal ball to see .. a cowboy always finds a way to leave
Drinkin' Jack all by myself .. he's choosin' Texas, I can tell

INTERLUDE: Dm/D#m C/C#

Well, I guess he forgot about the smoky mountain rain
Them old Hank tunes the Memphis blues we used sing
He always loved amarillo by morning" .. I shoulda taken that as a warning
