I get up in the evening...and I ain't got nothing to say

I come home in the morning...I go to bed feeling the same way
I ain't nothing but tired...man, I'm just tired and bored with myself

Hey there, baby.....I could use just a little help

CHORUS: You can't start a fire....you can't start a fire without a spark
This gun's for hire....even if we're just dancing in the dark

A/G

Messages keep getting clearer...radio's on and I'm moving 'round the place
I check my look in the mirror...wanna change my clothes, my hair, my face
Man, I ain't getting nowhere...I'm just living in a dump like this
There's something happening somewhere...baby, I just know that there is

CHORUS: You can't start a fire....you can't start a fire without a spark
This gun's for hire....even if we're just dancing in the dark

F#m/Em **A/G D/C** **E/D**
BRIDGE: You sit around getting older...there's a joke here somewhere and it's on me
F#m/Em **A/G D/C** **E/D**
I'll shake this world off my shoulders....come on, baby, the laugh's on me

A/G
