Well, I wish I had some shoes on my two bare feet
D/D# **G/G#**
And it's gettin' kinda cold in these painted-on cut-off jeans
D/D# **G/G#** **N.C.**
I hate the way this bikini top chafes, do I really have to wear it all day? (yeah, baby)

D/D# **G/G#**
I hear you over there on your tailgate whistlin'
D/D# **G/G#**
Sayin' "Hey girl," but you know I ain't listenin'

Like all we're good for is looking good for you
G/G#
and your friends on the weekend, nothin' more
D/D# **G/G#**
We used to get a little respect .. now we're lucky if we even get
A/A# **G/G#**
To climb up in the truck, keep our mouth shut, ride along

And be the girl in a country song

Sure I'll slide on over, but you're gonna get slapped

These days it ain't easy being that...
