**INTRO:** Bbm Gb Ab

A hundred days have made me older .. since the last time that I saw your pretty face  
A thousand lies have made me colder .. and I don't think I can look at this the same  
...But all the miles that separate  
...They disappear now, when I'm dreaming of your face

**CHORUS1:** .. I'm here without you, baby .. but you're still on my lonely mind  
I think about you, baby, and I dream about you all the time  
.. I'm here without you, baby .. but you're still with me in my dreams  
And tonight, there's only you and me, yeah

The miles just keep rollin' .. as the people leave their way to say hello  
I've heard this life is overrated .. but I hope that it gets better as we go, ohh yeah yeah

**CHORUS1:** .. I'm here without you, baby .. but you're still on my lonely mind  
I think about you, baby, and I dream about you all the time  
.. I'm here without you, baby .. but you're still with me in my dreams  
And tonight, girl, there's only you and me
