**E** **A/E**  
She stood there bright as the sun on that California coast  
**D/E** **E**  
He was a Midwestern boy on his own  
**E** **A/E**  
She looked at him with those soft eyes, so innocent and blue  
**D/E** **E**  
He knew right then he was too far from home

**BRIDGE: E A/E D/E E X1**  
He was too far from home

**E** **A/E**  
She took his hand and she led him along that golden beach  
**D/E** **E**  
They watched the waves tumble over the sand  
**E** **A/E**  
They drove for miles and miles up those twisting, turning roads  
**D/E** **E**  
Higher and higher and higher they climbed

**CHORUS:** **E** **A/E**  
And those Hollywood nights...in those Hollywood hills  
**D/E** **E**  
She was looking so right...in her diamonds and frills  
**E** **A/E**  
Oh, those big city nights...in those high rolling hills  
**D/E** **E**  
Above all the lights...she had all of her skills

**BREAK: D/E A/E E E E E**

E A/E  
He'd headed west 'cause he felt that a change would do him good  
D/E E  
See some old friends...good for the soul  
E A/E  
She had been born with a face that would let her get her way  
D/E E  
He saw that face and he lost all control

BRIDGE: E A/E D/E E X1  
He had lost all control

E A/E  
Night after night...day after day it went on and on  
D/E E  
Then came that morning he woke up alone  
E A/E  
He spent all night staring down at the lights on LA  
D/E E  
Wondering if he could ever go home

E A/E  
CHORUS: And those Hollywood nights...in those Hollywood hills  
D/E E  
She was looking so right...it was giving him chills  
E A/E  
In those big city nights...in those high rolling hills  
D/E E  
Above all the lights...with a passion that kills

E A/E  
CHORUS: And those Hollywood nights...in those Hollywood hills  
D/E E  
She was looking so right...in her diamonds and frills  
E A/E  
Oh, those big city nights...in those high rolling hills  
D/E E  
Above all the lights...she had all of her skills
