It must have been love, but it's over now...

**C**  
Lay a whisper .. on my pillow .. leave the winter .. on the ground  
**C** **F** **Dm** **G**  
I wake up lonely .. this air of silence .. in the bedroom .. and all around  
**Am** **C** **F** **G**  
Touch me now .. I close my eyes .. and dream away...

**CHORUS1:** **C** **F**  
It must have been love .. but it's over now!  
**Dm** **Am** **G**  
It must have been good .. but I lost it somehow...  
**C** **F**  
It must have been love .. but it's over now!  
**Dm** **Am** **G**  
From the moment we touched .. till the time had run out...

**C** **F** **G**  
Make believing .. we're together .. that I'm sheltered .. by your heart  
**C** **F** **Dm** **G**  
But in and outside .. I've turned to water .. like a teardrop .. in your palm  
**Am** **C** **F** **G**  
And it's a hard .. winter's day .. I dream away...

**CHORUS2:** It must have been love .. but it's over now  
It was all that I wanted .. now I'm living without  
It must have been love .. but it's over now  
It's where the water flows .. it's where the wind blows

**BREAK:** Dm C Bb Dm F C Bb Dm
