```
Bm                              G6              Asus2
  I took a walk around the world to ease my troubled mind,
Bm                         G6           Asus2
  I left my body lyin' somewhere in the sands of time.
Bm                              G6              Asus2
  I watched the world float to the dark side of the moon,
Bm                         G6      Asus2
  I feel there's nothin' I can do...
```

INTERLUDE: Bm   G6   Asus2
```
                ... yeah.
                Bm  G6  Asus2

Bm                              G6              Asus2
  I watched the world float to the dark side of the moon,
Bm                         G6              Asus2
  After all I knew it had to be somethin' to do with you.
Bm                         G6              Asus2
  I really don't mind what happens now and then,
 Bm                         G6      Asus2
  As long as you'll be my friend at the end.
```

```
            Bm                         G6              Asus2
CHORUS1:  If I go crazy then will you still call me superman.
            Bm                         Em          F#m         Bm
            If I'm alive and well will you be there a holdin' my hand,
