

# MOVE ON – Clare Dunn (B)

## GUITAR / KEYBOARD CHORDS:

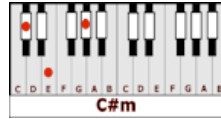

**B** = xx4442

**A** = xo222o

**C#m** = xx6654

**E** = o221oo

**INTRO: B A E A-B**

**A - B**

Sometimes I wish you just...

**A**

Well, if I told you what I'm really thinkin', it might make you blush...yeah, but baby, so what?

**B**

And I don't wanna rush...

**A**

We've been pretending we're just friends and all that stuff...for long enough, yeah

**C#m**

**E**

**BRIDGE: I'm thinkin' babe tonight, we start blurrin' up them lines**

**B**

**CHORUS: Go 'head..get out of your head**

**A**

Think you're overthinking, use your lips instead

**E**

'Cause what you want I want, I think it's easy to see, yeah

**B**

I know you're..a little bit shy

**A**

But if I'm gonna be honest, baby, so am I

**E**

You're on the sidelines wasting time when you could be winning with me

**B** (sustain)

All them days are over, all them red lights are green

**A - B**

So move on, move on, move on...make your move on me

**REPEAT INTRO: B A E A-B**

**B**

I can't count on twenty hands...

**A**

The nights I spent up wondering what it'd be like if you was my man...no, baby, I can't

**B**

No, I can't help myself...

**A**

Your touch is hypnotic, I want it

**E**

**A - B**

It ain't nothing like I've felt...from no one else, yea

**BRIDGE:** C#m I'm thinkin' babe tonight, we start blurrin' up them lines E

**CHORUS:** B Go 'head..get out of your head  
A Think you're over-thinking, use your lips instead
