**BRIDGE:** I've been down this road...many a time  
 And Lord I've tried...to find  
 Some peace of heart, some peace of mind  
 But this road just winds and winds

**REPEAT INTRO:** G C G C X1

There's a crazy lady with high-heeled shoes  
 She could take away my homesick blues  
 Lately I feel a little crazy, too  
 Yes, I do ma'am, yes I do

Got a double-sleeper...I'm hell on wheels  
 Come on sweet thing, show me how...love feels  
 Down the open road  
 Down the open road  
 Down the open road  
 OO-OO-OO

**OUTRO:** Somewhere...  
 Down the open road  
 She don't break down, she don't run cold  
 She's heart and soul like a pot of gold  
 She sees the white lines when I'm driving blind  
 A hundred more miles and she's right on time  
 ...right on time  
 She's right on time, right on time....Down the open road

(Repeat A D A D G-D-A chords to fade-out)
