**INTRO:** C/C#   G/G#   Am/A#m   F/F#
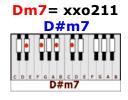

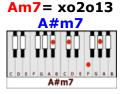

C/C#   G/G#   Am/A#m   F/F#
  I'm going under and this time I fear there's no one to save me
C/C#   G/G#   Am/A#m   F/F#
  This all or nothing really got a way of driving me crazy
                    C/C#   G/G#
  I need somebody to heal, somebody to know,
          Am/A#m   F/F#
     somebody to have, somebody to hold...
          C/C#   G/G#
  It's easy to say, but it's never the same
        Am/A#m   F/F#
  I guess I kinda liked the way you numbed all the pain

                        C/C#   G/G#
CHORUS: Now the day bleeds .. into nightfall
                      Am/A#m   F/F#
     And you're not here .. to get me through it all
                        C/C#   G/G#
     I let my guard down .. and then you pulled the rug
                Am/A#m   F/F#
     I was getting kinda used to being someone you loved

C/C#   G/G#   Am/A#m   F/F#
  I'm going under and this time I fear there's no one to turn to
C/C#   G/G#   Am/A#m   F/F#
  This all or nothing way of lovin' got me sleepin' without you
                    C/C#   G/G#
  Now, I need somebody to know, somebody to heal,
          Am/A#m   F/F#
     somebody to have, just to know how it feels...
          C/C#   G/G#
  It's easy to say, but it's never the same

  I guess I kinda liked the way you helped me escape
