CHORUS1: Song sung blue...everybody knows one
 Song sung blue...every garden grows one

Me and you...are subject to...the blues now and then
 But when you take the blues and make a song...you sing them out again
 Sing them out again

CHORUS2: Song sung blue...weeping like a willow
 Song sung blue...sleeping on my pillow

Funny thing...but you can sing it with a cry in your voice
 And before you know it, start to feeling good...you simply got no choice
