 They get up every morning from the alarm clock's warning take the 8:15 into the city.  
**C** **B** **F** **C**  
 There's a whistle up above and people pushing, people shoving and the girls who try to look pretty.  
**C** **B** **F** **C**  
 And if your trains on time you can get to work by nine and start your slaving job to get your pay.  
**C** **B** **F** **C**  
 If you ever get annoyed, look at me I'm self employed, I love to work at nothing all day.

 And I'll be takin' care of business every day

 It's as easy as fishing, you can be a musician, if you could make sounds sort of mellow.  
**C** **B** **F** **C**  
 Get a second hand guitar, chances are you'll go far, if you get in with the right bunch of fellows.  
**C** **B** **F** **C**  
 People see you having fun just a lyin' in the sun, tell them that you like it this way.  
**C** **B** **F** **C**  
 It's the work that we avoid. Hey, we're all self employed. We love to work at nothing all day.
