**INTRO: D/D# Gm/G#m**

**D/D#**                      **Am/A#m D/D#**  
I've been throwing horseshoes  
**G/G#**                      **A/A#**  
Over my left shoulder  
**G/G#**                      **D/D#**  
I've spent most all my life  
**E/F**                              **A/A#**  
Searching for that four-leaf clover

**D/D#**              **Am/A#m**      **D/D#**  
Yet you ran with me,  
**G/G#**              **A/A#**  
Chasing my rainbows  
**G/G#**      **D/D#**  
Honey, I love you, too  
**A/A#**                      **D/D#**  
And that's the way love goes

**D/D#**                      **Am/A#m**      **D/D#**  
**CHORUS: That's the way love goes, babe**  
**G/G#**                      **A/A#**
