        G              C            G
I'm just the pieces of the man I used to be
         Em              D           C
Too many bitter tears are raining down on me
    Am            Em              Am        Em
I'm far away from home .. and I've been facing this alone

For much too long .......... ohhh

        G              C            G
I feel like no-one ever told the truth to me
           Em              D            C
About growing up and what a struggle it would be
     Am           Em              Am         Em
In my tangled state of mind .. I've been looking back to find
        Dsus4 - D     Dsus4
Where I went wrong
```

```

INTERLUDE: G C G C

```
                    G               C           G
I'm just the shadow of the man I used to be
        Em                      D          C
And it seems like there's no way out of this for me
   Am              Em
I used to bring you sunshine
     Am         Em             Dsus4 – D    Dsus4
Now all I ever do is bring you down…………..oooo
```

```
                 G               C           G
How would it be if you were standing in my shoes
        Em              D           C
Can't you see that it's impossible to choose
       Am               Em
No, there's no making sense of it
Am          Em               Dsus4 – D     Dsus4
Every way I go I'm bound to lose……………oh, yes
```

```

         It'll drain the power that's in you .. make you plead and scream and crawl
                G              C              Em            A7
         And the pain will make you crazy .. you're the victim of your crime
