**Am** **F**  
It's been a mystery...and still they try to see  
**Dm** **Em** **Am**  
Why somethin' good can hurt so bad  
**Am** **F**  
Caught on a one-way street...the taste of bittersweet  
**Dm** **Em** **Am**  
Love will survive somehow, some way

**Am** **F**  
**CHORUS:** One love feeds the fire...one heart burns desire  
**Dm** **G** **Am**  
I wonder, who's cryin' now  
**Am** **F**  
Two hearts born to run...who'll be the lonely one  
**Dm** **G** **Am**  
I wonder, who's cryin' now

**Am** **F**  
So many stormy nights...so many wrongs or rights  
**Dm** **Em** **Am**
