

AFTER THE OMEN – Cecilio & Kapono (Am)

(1st verse – vocals and guitar only)

Went to the movie last night
Was about those demons screaming eerie cries
It gave me goose bumps up and down my spine

CHORUS: I had to..open up my eyes
And when they..turned on the light
I had to make..sure I was alright
Oh, laaaaaaaaaaaaaaaaaast night

I couldn't sleep last night
I woke up screaming in an awful fright
You know my dream was a nightmare in disguise

CHORUS: I had to..open up my eyes
And when they..turned on the light
I had to make..sure I was alright
Oh, laaaaaaaaaaaaaaaaaast night

BREAK: Am G-G/C-G Am G-G/C-G Bm Am G-G/C G-G/C G-G/C G (stop!)

Woke up this morning still alive
I thank the Lord that he got me through this fright
Can't let a movie get you in the night

CHORUS: I had to..open up my eyes
And when they..turned on the light
I had to make..sure I was alright
Oh, laaaaaaaaaast night
Oh, laaaaaaaaaast night
Oh, laaaaaaaaaast night
