

ARE YOU REALLY OKAY – Sleep Token (C)

GUITAR / KEYBOARD CHORDS:

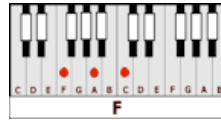

C= x32o1o

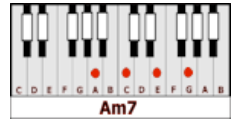

A# = xx3331

F= xx3211

Am7= xo2o1o

INTRO: C A# F X2

C **A#** **F**
I raised you in the dark .. caught you reading by the sunrise
C **A#** **F**
You wandered from the path .. through the silence of the hillside

C **A#** **F**
And don't you know .. I could see it in you even then

C **A#** **F**
And don't you know .. I was trying to hold back the darkness

CHORUS:

C A# F
And are you really okay?

C A# F
Are you really okay?

INTERLUDE: C A# F

C **A#** **F**
You woke me up one night .. dripping crimson on the carpet
C **A#** **F**
I saw it in your eyes .. cutting deeper than the scars could run

C And don't you know .. I can see it in you even now **A#** **F**

C And don't you know .. I want to help you, but I don't know how **A#** **F**

CHORUS: C And A# are F you really okay? (yeah, yeah)
C Are A# you F really okay?

BRIDGE: **A#** **Am7**
And I .. I cannot fix your wounds this time
 A# **Am7** **C**
But I .. I don't believe you when you tell me you are fine

OUTRO: **C** **A#** **F**
Please don't hurt yourself again
C **A#** **F**
Just please don't hurt yourself again, no
C **A#** **F**
Please don't hurt yourself again
C **A#** **F** *(sustain and end)*
Please don't hurt yourself again
