

# BLUE AIN'T YOUR COLOR - Keith Urban (G)

## NO INTRO

I can..see you over there staring at your drink watchin' that ice sink..all alone tonight  
And..chances are you're sittin' here in this bar 'cause he ain't gonna treat you right  
Well, it's..probably not my place, but I'm gonna say it anyway..'cause you look like  
You..haven't felt the fire, had a little fun, hadn't had a smile..in a little while..baby

**CHORUS:** Blue..looks good on the sky  
Looks good on that neon buzzin' on the wall, but darling, it don't match your eyes  
I'm tellin' you..you don't need that guy  
It's so black and white..he's stealin' your thunder  
Baby, blue ain't your color

I'm not tryna..be another just pick you up kinda guy, tryna drink you up, tryna take you home  
But I just don't understand how another man can take your sun and turn it ice cold  
Well, I've..had enough to drink and it's makin' me think that I just might  
Tell you..if I were a painter I wouldn't change ya I'd just paint you bright..baby

**CHORUS:** 'Cause Blue..looks good on the sky  
Looks good on that neon buzzin' on the wall but darling, it don't match your eyes  
I'm tellin' you..you don't need that guy  
It's so black and white..he's stealin' your thunder  
Baby, blue ain't your color
