

DANCING IN THE DARK – Bruce Springsteen (A)

(Capo 2nd fret)

INTRO: A A A A

A
I get up in the evening...and I ain't got nothing to say
I come home in the morning...I go to bed feeling the same way
I ain't nothing but tired...man, I'm just tired and bored with myself
Hey there, baby....I could use just a little help

CHORUS: You can't start a fire....you can't start a fire without a spark
This gun's for hire....even if we're just dancing in the dark

A
Messages keep getting clearer...radio's on and I'm moving 'round the place
I check my look in the mirror...wanna change my clothes, my hair, my face
Man, I ain't getting nowhere...I'm just living in a dump like this
There's something happening somewhere...baby, I just know that there is

CHORUS: You can't start a fire....you can't start a fire without a spark
This gun's for hire....even if we're just dancing in the dark

BRIDGE: You sit around getting older...there's a joke here somewhere and it's on me
I'll shake this world off my shoulders....come on, baby, the laugh's on me

A
Stay on the streets in this town....and they'll be carving you up alright
They say you gotta stay hungry....hey baby, I'm just about starving tonight
I'm dying for some action....I'm sick of sitting 'round here trying to write this book
I need a love reaction....come on now, baby, gimme just one look

ENDING CHORUS: You can't start a fire....sittin' around cryin' with a broken heart
This gun's for hire....even if we're just dancing in the dark
You can't start a fire....worrying about your little world falling apart
This gun's for hire....even if we're just dancing in the dark
....even if we're just dancing in the dark x3
(Hey, baby) (fade to end)
