CHORUS1: Everything is beautiful .. in its own way.
 Like the starry summer night, or a snow-covered winter's day.
 And everybody's beautiful .. in their own way.
 Under God's heaven .. the world's gonna find a way.

We shouldn't care .. about the length of his hair .. or the color .. of his skin.
 Don't worry about .. what shows from without .. but the love that lives within.
 And we're gonna get it all .. together now .. everything gonna work out fine.
 Just take a little time .. to look on the good side, my friend .. and straighten it out in your mind.

CHORUS2 (KEY CHANGE): Everything is beautiful .. in its own way.
 Like the starry summer night .. or a snow-covered winter's day.
 And everybody's beautiful .. in their own way.
 Under God's heaven .. the world's gonna find a way (one more time).

(NOTE: The song actually changes key once more but fades out before the end of the 2nd line.
 The chords for the first line of the new key begin with A...F#m...Bm...B7, then the song ends.)
