

FRIENDS IN LOW PLACES – Garth Brooks (A)

CHORDS: A=xo222o E=o221oo Edim=xx2323 Bm=xx4432 Dm=xxo231

INTRO: (guitar only) A Edim Bm E

Blame it all on my roots, I showed up in boots and ruined your black tie affair.
The last one to know, the last one to show, I was the last one you thought you'd see there.
And I saw the surprise, and the fear in his eyes when I took his glass of champagne
I toasted you said, "Honey we may be through, but you'll never hear me complain."

CHORUS1: 'Cause I got friends in low places, where the whiskey drowns and the beer chases
My blues away and I'll be okay
Yeh, I'm not big on social graces, think I'll slip on down to the oasis
Oh, I've got friends in low places

GUITAR SOLO (A Bm E A)

I guess I was wrong I just don't belong, but then, I've been there before
Everything's all right, I'll just say goodnight and I'll show myself to the door
Hey, I didn't mean to cause a big scene, just give me an hour and then
Well, I'll be as high as that ivory tower...that you're livin' in.

CHORUS2: 'Cause I got friends in low places, where the whiskey drowns and the beer chases
My blues away and I'll be okay
Yeh, I'm not big on social graces, think I'll slip on down to the oasis
Oh, I've got friends in low places
Oh, I've got friends in low places (N.C., "A" bass note 8 times)

Well I guess I was wrong I just don't belong, but then, I've been there before
Everything's all right, I'll just say goodnight and I'll show myself to the door
Hey, I didn't mean to cause a big scene, just wait 'till I finish this glass
Then sweet little lady I'll head back to the bar.....and you can kiss my ass!

CHORUS1 (Repeat 2X and END)
