INTRO: C F G C G

<sup>C</sup>  
Spent forty - eight dollars last night at the county fair, I threwed out my shoulder but I won her that  
<sup>G</sup>  
teddy bear

<sup>F</sup>  
She's got me saying sugar - pie, honey, darlin', and dear, I ain't seen the Braves play a game all year  
<sup>G</sup>  
I'm gonna get fired if I don't get some sleep, My long lost buddies say I'm gettin' in too deep

<sup>C</sup>  
CHORUS: But I like it, I love it, I want some more of it  
<sup>F</sup>  
I try so hard, I can't rise about it  
<sup>G</sup>  
Don't know what it is 'bout that little gal's lovin'  
**STOP!**  
But I like it, I love it, I want some more of it

My mama and daddy tried to teach me courtesy, But it never sank in 'til that girl got a hold of me  
<sup>F</sup>  
Now I'm holding umbrellas and openin' up doors, I'm taking out the trash and I'm sweepin' my floors  
<sup>G</sup>  
I'm crossin' my fingers, And countin' every kiss  
Prayin' that it keeps goin' on like this

<sup>C</sup>  
CHORUS: But I like it, I love it, I want some more of it  
<sup>F</sup>  
I try so hard, I can't rise about it  
<sup>G</sup>  
Don't know what it is 'bout that little gal's lovin'  
<sup>C</sup>  
But I like it, I love it, I want some more of it

<sup>F</sup>  
BRIDGE: Got to wash my truck and dress up, to pick her up to watch TV  
<sup>F</sup>  
And she sits down on the sofa, She'll move a little closer  
<sup>G</sup>  
She can't get enough of me

<sup>C</sup>  
CHORUS: And I like it, I love it, I want some more of it  
<sup>F</sup>  
I try so hard, I can't rise about it  
<sup>G</sup>  
Don't know what it is 'bout that little gal's lovin'  
**STOP!**  
But I like it, I love it, I want some more of it
