They say everything can be replaced .. yet every distance is not near
E F#m G#m A B E
So I remember every face .. of every man who put me here

E F#m G#m A B E
CHORUS: I see my light come shining .. from the west down to the east
E F#m G#m A B E
Any day now .. any day now .. I shall be released

E F#m G#m A B E
They say every man needs protection .. they say that every man must fall
E F#m G#m A B E
But I swear I see my reflection .. somewhere so high above this wall

E F#m G#m A B E
CHORUS: I see my light come shining .. from the west down to the east
E F#m G#m A B E
Any day now .. any day now .. I shall be released

E F#m G#m A B E
Down, down here in this lonely crowd .. is a man who swears he's not to blame
E F#m G#m A B E
All day long, I hear him shouting loud .. calling out that he's been framed

E F#m G#m A B E
CHORUS: I see my light come shining .. from the west down to the east
E F#m G#m A B E *(sustain and end)*
Any day now .. any day now .. I shall be released
