                   E/G   **Bm/Dm**
I will be walking one day...down a street far away
               E/G   **Bm/Dm**
And see a face in a crowd...and smile
                     D/F
Knowing how you made me laugh
               A/C   **F#m/Am   A6/C6**
Hearing sweet echoes of you from the past.
         E/G   A/C   F#m/Am   A/C   F#m/Am
I will remember you

                E/G   **Bm/Dm**
Look in my eyes while you're near...tell me what's happening here
            E/G   **Bm/Dm**
See that I don't want to say...good-bye
            D/F
Our love is frozen in time.
                A/C   **F#m/Am   A6/C6**
I'll be your champion and you will be mine
         E/G   A6/C6   E/G   A/C   F#m/Am   A/C   F#m/Am (HALT)
I will remember...I will remember you.

```
            E/G           F#m/Am
BRIDGE: Later on…when this fire is an ember
            E/G           F#m/Am
    Later on…when the night's not so tender
             E/G           F#m/Am
     Given time…though it's hard to remember, darlin'
    D/F           Csus2/D#sus2           A/C  F#m/Am   A/C  F#m/Am  A6/C6
      I will be holding…I'll still be holding to you
                E/G     A/C  A/C
     I will remember you.

        E/G                              Bm/Dm
So many years come and gone…and yet the memory is strong
          E/G                 Bm/Dm
One word we never could learn…goodbye
         D/F
True love is frozen in time.
          A/C                      F#m/Am   A6/C6
I'll be your champion and you will be mine
E/G    A/C  F#m/Am           E        A  F#m
I will remember you

  A6/C6           E/G  A6/C6   E/G        A/C  F#m/Am
  So, please remember…I will remember…you
 A6/C6   E/G       A/C  F#m/Am
  I will remember you
 A6/C6      E/G        A/C  A/C A/C  A/C  (repeat to fade)
     I will remember….you
```
