

IN A LITTLE WHILE - Uncle Kracker (D)

INTRO: D G D G

Here's to the good life or so they say.....All those parties and games that all those people play

Something is wrong here....I don't belong here

Sometimes I feel like a stranger in town
G A
And I've lost what I've found....It'll all turn around

D G
CHORUS: In a little while I'll be thinking about you
D G
In a little while I'll still be here without you
D G
You never gave me a reason to doubt you
D G D G (PAUSE)
In a little while I'll be thinking about you, baby....I'll be thinking about you, baby

D G D G
On the other side of a coin there's a face.....There's a memory somewhere that I can't erase
D G D G
And there's a place that I'll find some day.....But sometimes I feel like it's slipping away
