

# IT'S FIVE O'CLOCK SOMEWHERE - Alan Jackson / Jimmy Buffett (D)

**INTRO:** D G A D D

<sup>D</sup> That sun is hot and that old clock is movin' slow, and so am I

<sup>D</sup> The workday passes like molasses in wintertime, but it's July

<sup>G</sup> I'm getting paid by the hour, and older by the minute

<sup>A</sup> My boss just pushed me over the limit, I'd like to call him something,

<sup>D</sup> I think I'll just call it a day

**CHORUS:** <sup>D</sup> Pour me something tall and strong, <sup>G</sup> make it a hurricane <sup>A</sup> before I go <sup>D</sup> insane

<sup>D</sup> It's only half past twelve but I don't care <sup>A</sup> STOP

<sup>D</sup> It's Five O'Clock somewhere <sup>G</sup> A D D

<sup>D</sup> Well this lunch break is gonna take all afternoon, and half the night

<sup>D</sup> Tomorrow morning I know there'll be hell to pay, hey, but that's alright

<sup>G</sup> I ain't had a day off now in over a year, My Jamaican vacation's gonna start right here

<sup>G</sup> If the phone's for me you can tell them

<sup>D</sup> I just sailed away <sup>A</sup> A-A-A-A STOP

**CHORUS**

**GUITAR SOLO:** D G A D D G A D

**BRIDGE:** <sup>Bm</sup> I could pay off my tab, <sup>G</sup> pour myself in a cab, and be back to work before two

<sup>Bm</sup> But at a moment like this I can't help but wonder

<sup>Em</sup> What would Jimmy Buffett do? <sup>A7</sup>

---enter Jimmy Buffett--- "Funny you should ask Alan" "I'd say"

**CHORUS**

**CHORUS**

"What time zone am I on?"  
"What Country am I in?"  
It don't matter it's Five O'Clock somewhere  
"It's always on Five in Margaritaville come to think of it"  
I heard that  
"You've been there haven't you?"  
Yes sir  
"I've seen your boat there"  
I've been to Margaritaville a few times  
"Alright well that's good"  
stumbled my way back

"OK we just want to make sure you can keep it  
between the navigational beacons"  
between the buoys, I got it  
"alright, well it's five o'clock let's go somewhere"  
I'm ready to crank it up  
"lets get out of here"  
I'm gone
