

# LAY DOWN SALLY – Eric Clapton (A)

## INTRO:

**A** There is nothing that is wrong in wanting you to stay here with me **D**  
**A**  
I know you've got somewhere to go but won't you make yourself at home  
**D** **E**  
And stay with me, and don't you ever leave

**CHORUS:** **A** Lay down, Sally, and rest you in my arms **D**  
**E** **A**  
Don't you think you want someone to talk to  
**A** **D**  
Lay down, Sally, no need to leave so soon  
**E** **A**  
I've been trying all night long just to talk to you

**A** The sun ain't nearly on the rise and we still got the moon and stars above **D**  
**A**  
Underneath the velvet skies, love is all that matters  
**D** **E**  
Won't you stay with me, and don't you ever leave

**CHORUS:** **A** Lay down, Sally, and rest you in my arms **D**  
**E** **A**  
Don't you think you want someone to talk to  
**A** **D**  
Lay down, Sally, no need to leave so soon  
**E** **A**  
I've been trying all night long just to talk to you

**A** I long to see the morning light colouring your face so dreamily **D**  
**A**  
So don't you go and say goodbye, you can lay your worries down  
**D** **E**  
And stay with me, and don't you ever leave

**CHORUS:** **A** Lay down, Sally, and rest you in my arms **D**  
**E** **A**  
Don't you think you want someone to talk to  
**A** **D**  
Lay down, Sally, no need to leave so soon  
**E** **A**  
I've been trying all night long just to talk to you
