

MY WISH - Rascal Flatts (G)

(Capo 2nd fret)

INTRO: G D G D

I hope the days come easy and the moments pass slow,
And each road leads you where you wanna go,
And if you're faced with a choice and you have to choose,
I hope you choose the one that means the most to you,
And if one door opens to another door closed,
I hope you keep on walkin' till you find the window,

BRIDGE: If it's cold outside...show the world the warmth of your smile,
But more than anything, more than anything

CHORUS: My wish..for you..is that this life becomes..all that you want it to
Your dreams stay big...your worries stay small,
You never need to carry more than you can hold,
And while you're out there gettin' where you're gettin' to,
I hope you know somebody loves you...and wants the same things, too
Yea, this....is my wish (D...sung, not played)

I hope you never look back, but ya never forget...all the ones who love you in the place you left
I hope you always forgive, and you never regret..and you help somebody every chance you get
Oh, you find God's grace..in every mistake..and always give more than you take
But more than anything....yeah more than anything

CHORUS: My wish..for you..is that this life becomes..all that you want it to
Your dreams stay big...your worries stay small,
You never need to carry more than you can hold,
And while you're out there gettin' where you're gettin' to,
I hope you know somebody loves you...and wants the same things, too
Yea, this....is my wish (go straight into bridge)

BRIDGE: C G Em D C G A A

ENDING CHORUS: My wish..for you..is that this life becomes..all that you want it to
Your dreams stay big...your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting' where you're getting' to,
I hope you know somebody loves you...and wants the same things, too
