INTRO: A

A
When the sun goes down .. on my side of town

That lonesome feelin .. comes to my door

D **A**
The whole world turns ... blue

A
There's a rundown bar .. cross the railroad tracks

I've got a table for two .. way in the back

D **A**
Where I sit alone .. and think of losing you

E **A**
I spend most every night .. beneath the light .. of a neon moon

D **E**
CHORUS: If you lose your one and only

D **E**
There's always room here for the lonely

D **E** **A**
To watch your broken dreams dance in and out of the beams of a neon moon

A
I think of two young lovers .. running wild and free

I close my eyes .. and sometimes see

D **A**
You in the shadows .. of this smoke-filled room

A
No telling how many tears .. I've sat here and cried

Or how many lies .. that I've lied

D **A**
Telling my poor heart .. she'll come back someday

E **A**
Oh, but I'll be alright .. as long as there's light .. from a neon moon

CHORUS: If you lose your one and only
There's always room here for the lonely
To watch your broken dreams dance in and out of the beams of a neon moon

BREAK: A D A
