

RAILWAY STATIONS - Cecilio & Kapono (G)

INTRO CHORUS: (no music) And I keep feelin' so alone

Writin' lonely songs...and dreamin' of home

Playin' my guitar...to my own

Footsteps in time to my moan

Railway station...in the middle of the afternoon

Scorchin' heat...tired feet...got to get down

But I'll just keep movin'...'cause I got no place to stay

Unfriendly folks...makin' jokes...turn me away

CHORUS: And I keep feelin' so alone

Writin' lonely songs...and dreamin' of home

Playin' my guitar...to my own

Footsteps in time...to my moan

But I'm on my way now...I know where I belong

No wanderin'...I'm stayin' in...my woman's arms

No more to go on...this gypsy travelin'

So I'll stay... where I can play...a happier song

CHORUS: And I keep feelin' so alone

Writin' lonely songs...and dreamin' of home

Playin' my guitar...to my own

Footsteps in time...to my moan

BREAK: (same as verse chords) G-C-D-C-G G-C-D-C-G

CHORUS: And I keep feelin' so alone

Writin' lonely songs...and dreamin' of home

Playin' my guitar... to my own

Footsteps in time...to my moan

Footsteps in time...to my moan
