Dm **C** **G**
I see Virginia in the sky .. I'm thinking of you
Dm **C** **G**
Pulling questions of the lies .. or maybe they're truth?
Dm **C** **G**
A pink harvest moon .. she's hanging low
Dm **C** **G**
I hear an echo through the trees .. I'm finding my flow

F **C** **G**
She's on fire .. for you .. your heartbeat splits in two
F **C** **G**
Fireflies .. like shooting stars landing on my back
F **C** **G**
Like the sun .. I'm burning inside out
F **C** **G**
If this is love .. I think my heart's just about to crack

Dm **C** **G**
CHORUS1: Recovery
Dm **C** **G**
Recovery

Dm **C** **G**
Through the slipstream up ahead .. blue mountains of gold
Dm **C** **G**
I take a moment to believe .. we don't grow old
Dm **C** **G**
But time's like a river that falls between my eyes
Dm **C** **G**
Sailing on a random twist of fate .. we crystallize
