

# START THE CAR - Jude Cole (Bm)

**INTRO:** (rock n roll guitar riff only) **Bm**

Yeh Yeh Uh-huh

**Bm**

Well I'm tired of the pressure...so tired of the pace

**Bm**

(intro drums)

Just wanna grab you, baby...and get out of this place

**Bm**

I had no chance of makin' it...working downtown

**Bm**

I'm just walkin' slow and talkin' low and tired of going down, down, down

(everyone)

**Bm**

**G**

**Em**

**F#**

**CHORUS:** Start the car..we gotta move...this ain't no living..this ain't no groove

**Bm**

**G**

**Em**

**F#**

It's been a long..hard road...come on, baby..let's drive it home

**Bm**

Start the car

**Bm**

We started out for paradise...but this ain't no promised land

**Bm**

This ain't no kind of living for an honest working man

**Bm**

Well there's people dying on the streets...sure don't make the news oooo yeh

**Bm**

While others livin' up on the hill...singin' the white boy blues

**Bm**

**G**

**Em**

**F#**

**CHORUS:** Woh-oh, start the car..gotta move...This ain't no living..this ain't no groove

**Bm**

**G**

**Em**

**F#**

This city's rich...dirt poor...but somewhere waiting..there's something more

**Bm**

Start the car

**BREAK:** E G A C E G A C

**Bm**

Well, we're going out with dignity...we're going out with style

**Bm**

Lay down that hammer, baby...make our own road across the miles

**Bm**

'Cause I can't take this town one more day

**Bm**

**G**

**Em**

**F#**

**CHORUS:** Woh-oh, start the car..gotta move...This ain't no living..this ain't no groove

**Bm**

**G**

**Em**

**F#**

This city's rich...or dirt poor...somewhere waiting..there's gotta be...something more

**Bm**

Start the car

**Bm**

**G**

**Em**

**F#**

It's been a long..hard road...come on, baby..let's drive it home

**Bm**

Start the car

**Bm**

Woooo Start the car (X3)

**Bm**

Oww....Mabelline....why can't you be true...Start the car, Oww
