F **C** **G**
Small town living gets old when you got big dreams
F **C** **G**
Feels like you can only think as far as you can see
F **C** **G** **Am**
Eighteen tatted up trying to sell weed .. knowing I'd take the fall for the whole team
F **C** **G**
Wasn't trying to hear it every time that you told me

CHORUS1: **F** **C** **G**
It's the sound .. of the rain .. coming down .. when you fall asleep
F **C** **G**
It's a call .. from a friend .. that you love .. but never get to see
F **C** **E** **Am**
All the time .. you could waste .. trying to chase .. what you'll never need
F **C** **G**
Hope you come .. back around .. to simple things

F **C** **G**
How's it been four or five years since I've got down on my knees
F **C** **G**
And how could I forget the sweet smell of the honeysuckles in the breeze
F **C**
Would have never thought trying to chase this dream
G **Am**
Would give me nightmares now I get no sleep
F **C** **G**
Nowadays seems like the only thing that calms me

CHORUS2: It's the sound .. of the rain .. coming down .. when you fall asleep
 It's a call .. from a friend .. that you love .. but never get to see
 All the time .. you could waste .. trying to chase .. what you'll never need
 Always comes .. back around .. to simple things

BRIDGE: Like a song that you know from the past comin' on that you needed so bad
 Like a drink in your glass at the end of the day that you needed to have
 Yeah, I try and still sometimes I mess it up
 Lately, I've been asking myself what's enough

ENDING CHORUS: It's the sound .. of the rain .. coming down .. when you fall asleep
 It's a call .. from a friend .. that you love .. but never get to see
 All the time .. you could waste .. trying to chase .. what you'll never need
 Always comes .. back around .. to simple things
 ...the simple things
