

# SMOOTH – Santana with Rob Thomas (Am)

INTRO: Guitar solo over Am-F-E7 (X4)

Man it's a hot one...Like seven inches from the midday sun  
I hear you whisper and the words melt every one, But you stay so cool  
My muñequita, my Spanish Harlem Mona Lisa  
You're my reason for reason, The step in my groove

BRIDGE: And if you said this life ain't good enough  
I would give my world to lift you up  
I could change my life to better suit your mood  
Cause you're so smooth

CHORUS: Oh, and it's just like the ocean under the moon  
Well that's the same as the emotion that I get from you  
You got the kind of lovin' that could be so smooth, yeah  
Give me your heart...Make it real... Or let's forget about it

Well I'll tell you one thing...If you would leave it'd be a crying shame  
In every breath and every word, I hear your name calling me out  
Out from the barrio, you hear my rhythm on your radio  
You feel the tugging of the world so soft and slow, Turning you round and round

BRIDGE  
CHORUS

Or let's forget about it  
Or let's forget about it  
Or let's forget about it  
Or let's forget about it (Give me your heart make it real)  
Let's don't forget about  
Let's don't forget about  
Let's don't forget about  
Let's don't forget about

Vocals stop, music to fade out
