

STEAMY WINDOWS – Tina Turner (Em)

INTRO: (moderate, hard drum intro) Guitar lead intro over **Em**

(> equals strong emphasis, in this case an **Em** emphatically played high on the 7th fret for accent)

Em **G-A-Em**
I was thinking about parking the other night...we was out on a back road
Em **G-A-Em**
Me and my baby was just gettin' right...all systems on overload

Em **G-A-Em**
The radio blasting in the front seat...turning out the music fine
Em **G-A-Em**
And we was snuggled up in the back seat...making up for lost time

Em **G-A-Em**
CHORUS: Steamy windows -----zero visibility
Em **G-A-Em** (lite guitar fill over pause)
Steamy windows-----coming from the body heat

Em **G-A-Em**
You can wine and dine with a man all night...with good intent
Em **G-A-Em**
But there's something about a confrontation on a back road...breaks down the defense

Em **G-A-Em**
CHORUS: Steamy windows -----zero visibility
Em **G-A-Em**
Steamy windows-----coming from the body heat
Em **G-A-Em**
Steamy windows-----ain't nobody can see
Em **G-A-Em**
Steamy windows-----coming from the body heat

LEAD GUITAR BREAK: **Em** **G - A - Em**
G - A - Em (guitar fill over pause)

Em **G-A-Em**
There's a sound outside the front door...and I know it's just the wind
Em **G-A-Em**
But it makes us snuggle up just a little bit closer....and starts things happening again.. yeh yeh

Em **G-A-Em**
ENDING CHORUS: Steamy windows-----ain't nobody can see
Em **G-A-Em**
Steamy windows-----coming from the body heat

G-A-Em

Em **G-A-Em**
