G#m E/G# B/F# F#6
I .. thought I knew you well .. but all this time .. I could never tell
G#m E/G# B/F# F#6 F#
I .. let you get away .. haunts me every night and .. every day

INTERLUDE: D#/G G#m E/G# B/F# F#6

G#m E/G# B/F# F#6
You .. were the only one .. the only friend I counted on
G#m E/G# B/F# F#6
How .. could I watch you walk away .. I'd give anything to have you here today

PRE-CHORUS: But now .. I stand alone with my pride
 And dream .. that you're still by my side

CHORUS: But that was yesterday .. I had the world in my hands
 But it's not the end of my world .. just a slight change of plans
 That was yesterday .. but today life goes on
 No more hiding in yesterday .. cause yesterday's...
 go-o-o-one.....

INTERLUDE:

Love .. my love I gave it all .. thought I saw the light when I heard you call
 Life .. that we both could share .. has deserted me .. left me in despair

PRE-CHORUS: But now .. I stand alone with my pride
 Fighting back the tears I never let myself cry

CHORUS: But that was yesterday .. love was torn from my hands
 But it's not the end of my world .. just a little hard to understand
 That was yesterday .. but today life goes on
 You won't find me in yesterday's world .. now yesterday's gone

OUTRO: Goodbye yesterday .. now it's over and done
 Still I hope somewhere deep in your heart
 Yesterday will live o-o-o-o-o-o-on.....
 Ooooooo
