

**Bm** **Gmaj7**  
My friends from college, they're all married now

**Bm** **G**  
They have their houses and their lawns

**Dm7**  
They have their silent noons

**Cmaj7** **Am** **Ab** **G**  
Tearful nights, angry dawns

**Bm** **Gmaj7**  
Their children hate them for the things they're not

**Bm** **G**  
They hate themselves for what they are

**Dm7**  
And yet they drink, they laugh

**Cmaj7** **Am7** **Ab** **G**  
Close the wound, hide the scar

**F** **Em**  
**CHORUS:** But you say it's time we moved in together

**Dm7** **Cmaj7**  
And raised a family of our own, you and me

**F** **Em**  
Well, that's the way I've always heard it should be

**A** **D**  
You want to marry me...We'll marry

**Bm** **Gmaj7**  
You say we that can keep our love alive

**Bm** **G**  
Babe, all I know is what I see

**Dm7**  
The couples cling and claw

**Cmaj7** **Am** **Ab** **G**  
And drown in love's debris

**Bm** **Gmaj7**  
You say we'll soar like two birds through the clouds

**Bm** **G**  
But soon you'll cage me on your shelf

**Dm7**  
I'll never learn to be

**Cmaj7** **Am7** **Ab** **G**  
Just me first, by myself

**F** **Em**  
**CHORUS:** But you say it's time we moved in together

**Dm7** **Cmaj7**  
And raised a family of our own, you and me

**F** **Em**  
Well, that's the way I've always heard it should be

**A** **D** (sustain and fade out)  
You want to marry me...We'll marry
