

THAT'S THE WAY LOVE GOES – Merle Haggard (G)

G **G7** **C** **D**
I've been throwin' horse shoes over my left shoulder
C **G** **A7** **D**
I've spent most all my life searchin' for that four leaf clover
G **G7** **C** **D**
If you'll run with me chasin' my rainbow
C **G** **D** **G**
Honey I'll love you too That's the way love goes

G **G7** **C** **D**
CHORUS: That's the way love goes Babe That's the music God made
C **G** **A7** **D**
For the whole wide world to see It never gets old It only grows
G **G7** **C** **D**
Losing makes me sorry You say Honey don't worry
C **G** **D** **D+** **G**
And Honey I love you too That's the way love goes
