F
I found out that you care for another guy, I found out that you want for another smile
Bb **F**
We are alone as two different people can be
C **Bb** **F**
And it's hurting me so, Just to know that you don't care for me

CHORUS: The other guy won't be around to talk to our kids
F
He won't understand when you're down the way that I did
Bb **C**
We had it all, you and I, we just need to try again

And you don't understand, Why I love you and want you to stay

Bb

F
He won't understand when you're down the way that I did
