

THERE GOES MY HEART - The Mavericks (E)

CHORUS: There goes my heart, breaking in two
There go my eyes, crying over you
My arms don't want, for us to part
So when you go here come the blues There goes my heart

You told me once, we'd never part
And you loved me, with all your heart
But now these words of love, you're going to erase
You've found somebody, who wants to take my place

CHORUS: There goes my heart, breaking in two
There go my eyes, crying over you
My arms don't want, for us to part
So when you go here come the blues There goes my heart

BREAK: E B E A E B E

I'm standing on, a bridge that's burned
It's just a lonely, lesson learned
To see you walk away, with him hurts me so
This fool who loves you, doesn't want to let you go

CHORUS: There goes my heart, breaking in two
There go my eyes, crying over you
My arms don't want, for us to part
So when you go here come the blues There goes my heart
So when you go here come the blues There goes my heart
So when you go here come the blues There goes my heart
