

THERE'S A KIND OF HUSH – Herman's Hermits (C)

INTRO: C G C G

There's a kind of hush...all over the world..tonight.
All over the world..you can hear the sounds..of lovers in love....You know what I mean.
Just the two of us...and nobody else..in sight.
There's nobody else..and I'm feeling good..just holding you tight.

BRIDGE: So listen very carefully...closer now and you will see what I mean.
It isn't a dream.
The only sound that you will hear...is when I whisper in your ear I love you
Forever and ever.

CHORUS: There's a kind of hush...all over the world..tonight.
All over the world..you can hear the sounds..of lovers in love.

BREAK: (same chords as chorus) La-la-la-la-la-la-la-la-la La-la-la-la-la-la-la
La-la-la-la-la La-la-la-la-la La-la-la-la-la

BRIDGE: So listen very carefully...closer now and you will see what I mean.
It isn't a dream.
The only sound that you will hear...is when I whisper in your ear I love you
Forever and ever.

ENDING CHORUS: There's a kind of hush...all over the world..tonight.
All over the world..people just like us..are falling in love.
Yeah, they're fallin' in love.
Yeah, they're fallin' in love.
.....Hushhhhhh.
