INTRO: G Cadd9 Am Cadd9
G Cadd9 Am D

I spent 20 years trying to get out of this place...I was looking for something I couldn't replace
I was runnin' away from the only thing I've ever known
And like a blind dog without a bone...I was a gypsy lost in the twilight zone
I hijacked a rainbow and crashed into a pot of gold

BRIDGE: I've been there, done that, I ain't lookin' back on the seeds I've sown
Saving dimes...spending too much time on the telephone
Who says you can't go home...

CHORUS: Who says you can't go home....there's only one place they call me one of their own
Just a hometown boy, born a rolling stone...who says you can't go home
Who says you can't go back, been all around the world and that's a matter of fact
There's only one place left I wanna go...who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright

I went as far as I could, I tried to find a new face...
There isn't one of these lines that I would erase
There's a million miles of memories on that road
With every step I take I know that I'm not alone
You take the home from the boy, but not the boy from his home
These are my streets...the only life I've ever known
Who says you can't go home

CHORUS: Who says you can't go home....there's only one place they call me one of their own
 Just a hometown boy...born a rolling stone...who says you can't go home
 Who says you can't go back, been all around the world and that's a matter of fact
 There's only one place left I wanna go...who says you can't go home

LEAD BREAK: G C Am C G C Am D

(played quietly, single-strum chords)

It doesn't matter where you are, doesn't matter where you go
 If it's a million miles away or just a mile up the road
 Take it in...take it with you when you go...
 Who says you can't go home

OUTRO: Who says you can't go back, been all around the world and that's a matter of fact
 There's only one place left I wanna go, who says you can't go home
 It's alright, it's alright, it's alright, it's alright, it's alright
 Who says you can't go home
 It's alright, it's alright, it's alright, it's alright, it's alright
 Who says you can't go home
 It's alright, it's alright, it's alright, it's alright, it's alright
 Who says you can't go home
