I came to you .. with my heart in pieces .. and found the God .. with healing in His hands
I turn to you .. put everything behind me .. and found the God .. who makes all things new
I look to you .. drowning in my questions .. and found the God .. who holds all wisdom
And I trusted you .. I stepped out on the ocean .. You caught my hand among the waves

CHORUS: 'Cause you're the God of all my days .. each step I take .. you make a way
And I will give you all my praise .. my seasons change .. you stay the same
You're the God of all my days

I ran from you .. I wandered in the shadows .. and found the God .. who relentlessly pursues
I hid from you .. haunted by my failure .. and found the God .. whose grace still covers me
I fell on you .. when I was at my weakest .. and found the God .. the lifter of my head
And I've worshipped you .. and felt you right beside me .. You're the reason that I sing

CHORUS: 'Cause you're the God of all my days .. each step I take .. you make a way
And I will give you all my praise .. my seasons change .. you stay the same
You're the God of all my days
