Well, there's power in the blood, I can testify .. I used to live a different kind of life
But I've been underneath the crimson flood .. and washed away who I once was
Oh, they say .. people don't change .. but I know I'll never be the same

CHORUS1: Every heartbeat's a miracle .. like a river rushing through my soul
I've been made new and there ain't no undoing what the Lord has done
(what the Lord has done)
It runs in the blood

These roots go deep in my family tree .. been passed down from the Father to me
More than religion or a hand-me-down faith .. this power pumping through my veins

CHORUS2: Every heartbeat's a miracle .. like a river rushing through my soul
I've been made new and there ain't no undoing what the Lord has done
(what the Lord has done)
It runs in the blood .. it runs in the blood

BRIDGE: Amazing grace .. redeeming love .. the power of Heaven .. to overcome
Perfect peace .. with God above .. now and forever .. it runs in the blood
(1st walk-down = G-Gb-E-D-C-B-A-G)
... ohhhhhhh

CHORUS3: Every heartbeat's a miracle .. like a river rushing through my soul
I've been made new and there ain't no undoing what the Lord has done
(what the Lord has done)
It runs in the blood .. it runs in the blood
